AWARD

1. Sibajit, workman has presented industrial dispute under Section 2A(2) of the Industrial Disputes Act, 1947 *(here-in-after in short called 'ID Act').*

2. Case of the workman in claim statement in nutshell is that he was engaged by the management w.e.f. 14.04.1986 and lastly, he was working as Shaperman. Last drawn wages of the workman were ` 18,000/- per month. The management was entirely satisfied with his work & conduct. The management was giving increment of ` 800 every year. The workman was issued ESI Card No.1706094622. The management was paying wages in cash without obtaining signature in wage register. On 30.12.2017, the workman met with an accident during duty hours as a result of which workman lost his right eye. The management started a new factory in Jahwar Pur area and offered the workman either to resign from service or go to new factory at Jahwar Pur, at own expenses, as fresh appointment on ` 12,000/- per month wages. The workman did not agree with offer and on 12.09.2022, the management verbally terminated the services of the workman without giving any prior notice to the workman. The management has not issued any memo, charge sheet nor conducted any inquiry in any matter before termination. The management has not offered notice pay and compensation to the workman. Job of the workman still exists and juniors to the workman are retained. The management has violated the provisions of Section 25F, 25G & 25H of the ID Act. Prayer is made that the workman be reinstated with continuity of service, full back wages and all other applicable benefits.

3. The management contested case of the workman and filed written statement raising preliminary objection that the present claim statement is not maintainable as the services of the workman never been terminated by the management. It is the workman who left the services of his own.

4. On merits, it is stated that the facts regarding appointment, designation, last drawn salary, work & conduct, ESI registration number of the workman and accident of the workman on 30.12.2007 during duty hours, are matter of record. Further it is stated that it is the workman who left the service of his own and informed the management verbally. There is no need of any memo, charge-sheet or inquiry and the workman is not entitled for any benefit as the workman has left the services himself. Remaining averments of the claim of the workman were denied.

5. The workman filed replication, wherein the contents of written statement except the admitted facts of the claim, are denied as wrong and the averments of the statement of claim are reiterated.
